Important Notice: Alaska Public Broadcasting Health Trust About Your Prescription Drug Coverage and Medicare

MEDICARE PART D NOTICE

Medical Plan: Premera Blue Cross Blue Shield of Alaska

About Your Prescription Drug Coverage and Medicare

This notice has information about your current prescription drug coverage and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. We have determined the prescription drug coverage offered by Premera Blue Cross Blue Shield of Alaska is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore **considered Creditable Coverage**. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. Plan participants are eligible if they are within three months of turning age 65, are already 65 years old or if they are disabled. However, if you lose your current creditable prescription drug coverage through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage will not be affected, and benefits will be coordinated with Medicare. Refer to your plan documents provided upon eligibility and open enrollment or contact your provider or the plan administrator for an explanation and/or copy of the prescription drug coverage plan provisions/options under the plan available to Medicare eligible individuals when you become eligible for Medicare Part D.

Visit http://www.cms.hhs.gov/CreditableCoverage/ which outlines the prescription drug plan provisions/options Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and current coverage is dropped, be aware you and your dependents may not be able to get this coverage back. Refer to plan documents or contact your provider or the plan administrator before making any decisions.

Note: In general, different guidelines exist for retirees regarding cancelation of coverage and the ability to get that coverage back. Retirees who terminate or lose coverage will not be able to get back on the plan unless specific contract language or other agreement exists. Contact the plan administrator for details.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know if you drop or lose your current coverage and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For more information about this notice or your current prescription drug coverage...

Contact the person listed in this notifications report. You will get this notice each year. You will also get it before the next Medicare part D drug plan enrollment period and if this coverage changes. You also may request a copy of this notice at any time.

For more information about your options under Medicare prescription drug coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage: Visit www.Medicare.gov or call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help. Call 800-MEDICARE (800-633-4227). TTY users should call (877) 486-2048. If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov or call (800) 772-1213 (TTY 1-800-325-0778).

Remember to keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
